

# Join Our Community of Photographers

Join our community of photographers and enjoy working within a first class creative space. Whether you are a photography student, armature or professional photographer we would like to invite you to come tour ABQ Photographic Resource Center (PRC). We are located in Suite 202, within The Cardenas Arts Center located at 1101 Cardenas Dr. NE Albuquerque, NM 87110, directly behind the Smiths Supermarket on Lomas and San Pedro.

Working in conjunction with The Artistic Image we host monthly photographic exhibitions. Photographers who are part of our community will be invited to display their work. The PRC is a member of the Albuquerque Arts Business Alliance, making us an active part of monthly ARTSCrawl events. Being highly publicized events, Friday night ARTSCrawl openings have the potential to draw in multiple buyers. As a result PRC events are excellent for networking.

**PRC Community Resources:** The PRC is here to meet your professional needs and exceed your service expectations. Our fully equipped photography studio has a vast collection of lights, lighting stands and backdrops to enable you to work smart and travel light. For individuals seeking to indulge in the time-honored tradition of darkroom photography, we are excited to announce the construction of our black and white darkroom. For photographers seeking to use digital post-production tools the PRC has Adobe's Creative Cloud installed on all of our computers, which you may also rent on an hourly basis.

The Artistic Image is also located in the same space, and our professional printing team is available to make your final vision a reality. The PRC also welcomes you to add the finishing touches to your artistic creations in our workshop using our dry mount press and mat-cutter. However, image editing, dry mounting, matting and framing services are also available from The Artistic Image professionals.

We would also like to invite you to explore our library and engage in our list of classes. Each of these resources are openly accessible to anyone. However, PRC members and PRC Residents have special access to all our resources at a discounted rate. *(For a list of additional community resources and hourly rates please scroll to down to page 2).*

**PRC Residents:** As a PRC Resident you no longer need to work alone all day, as you will be part of a community of photographers. Within the PRC we have private studios/offices available for rent on either a short-term or long-term basis. Leases may be as short as one month or as long as a year. However, we also have smaller units may be rented by the week. We pride ourselves in providing our residents with a clean, safe environment, which you may access, 24hours a day with a private security code. Our PRC Residents also have 24hour access to our fully equipped photography studio, darkroom and framing workshop at a significantly discounted hourly rate. In addition, PRC Residents are provided with free Wi-Fi, a conference room, photographers' lunchroom and lounge. *(For a list of additional PRC Resident benefits and rates please scroll to down to page 2).*

**PRC Members:** Yearly PRC Memberships are also available, enabling members to access our photography studio, darkroom and workshop at a discounted rate without the requirement of a long-term lease. PRC Members may also check out books and magazines from our library at no extra charge. *(For a list of additional PRC Member benefits and discounts please scroll to down to page 2).*

Our goal is to make a clean, comfortable, and pleasant quiet workspace for photographers to work independently, but to also be a coworker or member in our photo community. Contact Bob at (505) 379-5386 or e-mail him at [bob@ABQprc.com](mailto:bob@ABQprc.com) for more information. Our website is [www.ABQprc.com](http://www.ABQprc.com)

**General hourly rates, along with special rates for  
PRC Members and PRC Residents.**
